1. Individuals wishing to provide public input regarding matters relevant to the City of Twin Falls shall:
 - Wait to be recognized by the Mayor or Chairman
 - Approach the microphone/podium
 - State their name, and whether they are a resident or property owner in the City of Twin Falls, and proceed with their input.
2. The Mayor or Chairman may limit input to no less than two (2) minutes. Individuals are not permitted to give their time to other speakers.

Public Hearing Procedures for Zoning Requests

1. Prior to opening the first Public Hearing of the session, the Mayor or Chairman shall review the public hearing procedures.
2. Individuals wishing to testify or speak before the City Council or Planning & Zoning Commission shall wait to be recognized by the Mayor or Chairman, approach the microphone/podium, state their name, and then proceed with their comments. Following their statements, they shall write their name and address on the record sheet(s) provided by the staff. The staff shall make an audio recording of the Public Hearing.
3. A City Staff Report shall summarize the application and history of the request.
4. The Applicant, or the spokesperson for the Applicant, will make a presentation on the application/request (request). No changes to the request may be made by the applicant after the publication of the Notice of Public Hearing. The presentation should include the following:
 - A complete explanation and description of the request.
 - Why the request is being made.
 - Location of the Property.
 - Impacts on the surrounding properties and efforts to mitigate those impacts.
5. Applicant is limited to 15 minutes, unless a written request for additional time is received, at least 72 hours prior to the hearing, and granted by the Mayor or Chairman.
6. The City Council or Planning & Zoning Commission may ask questions of staff or the applicant pertaining to the request.
7. The general public will then be given the opportunity to provide their testimony regarding the request. The Mayor or Chairman may limit public testimony to no less than two (2) minutes per person.
 - Individuals are not permitted to give their time to other speakers.
 - However, five (5) or more individuals that received written notice of the public hearing may appoint, by written petition, a spokesperson. The written petition must be received at least 72 hours prior to the hearing and must be granted by the Mayor or Chairman. The spokesperson shall be limited to 15 minutes.
 - Written comments, including e-mail, received by 12:00 p.m. on the date of the hearing shall be either read into the record or displayed to the public on the overhead projector.
8. Following the Public Testimony, the applicant is permitted five (5) minutes to respond to Public Testimony.
9. Following the Public Testimony and Applicant's response, Council or Commission members, as recognized by the Mayor or Chairman, shall be allowed to question the Applicant, Staff or anyone who has testified. Responses shall be limited to answering the questions asked. The Mayor or Chairman may limit the time permitted for the answer.
10. The Mayor or Chairman shall close the Public Hearing. The City Council or Planning & Zoning Commission shall deliberate on the request. Deliberations and decisions shall be based upon the information and testimony provided during the Public Hearing. Once the Public Hearing is closed, additional testimony from the staff, applicant or public is not allowed. Legal or procedural questions may be directed to the City Attorney.

Proclamation

Arbor Day

WHEREAS, In 1872 J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

WHEREAS, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

WHEREAS, Arbor Day is now observed throughout the nation and the world, and

WHEREAS, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce oxygen, and provide habitat for wildlife, and

WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

WHEREAS, trees in our City increase property values, enhance the economic vitality of business areas, and beautify our community, and

WHEREAS, trees, wherever they are planted, are a source of joy and spiritual renewal,

NOW, THEREFORE, I, Ruth Pierce, Mayor of the City of Twin Falls, do hereby proclaim Thursday, April 28, 2022, as

ARBOR DAY

in the City of Twin Falls, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

FURTHER, I urge all citizens to plant trees to gladden the heart and promote the wellbeing of this and future generations.

*In witness whereof I have hereunto set my
hand and caused this seal to be affixed.*

Proclamation

National Crime Victims' Rights Week

April 24-30, 2022

Whereas, being a victim of crime and navigating the criminal justice system can be a frightening and confusing experience;

Whereas, progress in improving the treatment of crime victims has been made through the efforts of thousands of victims and survivors who have turned their own experiences into a force for positive change, ensuring that others can receive justice, meaningful assistance, and compassionate treatment before the law;

Whereas, since the passage of the Victims of Crimes Act of 1984, and through the dedicated work of advocates, lawmakers, and victim service providers, there is a growing array of services and resources available to victims and their loved ones;

Whereas, honoring the rights of victims – including the rights to be heard and to be treated with fairness, dignity, and respect – and working to meet their needs rebuilds their trust in the criminal justice and social service systems;

Whereas, individuals' trust in the compassion, understanding, and support of their communities is achieved through sustained, deep-rooted, and coordinated outreach;

Whereas, identifying, reaching, and serving all victims of crime – especially those from groups that often have less access to healing services and avenues to justice – is essential;

Whereas our community's continued engagement with the challenges faced by victims of crime will ensure that the progress made to date is not lost, and that new ground is broken to gain greater justice and healing for all victims;

Whereas, National Crime Victims' Rights Week provides an opportunity to recommit to ensuring that accessible, appropriate, and trauma-informed services are offered to all victims of crime; and

Whereas, The City of Twin Falls is hereby dedicated to supporting victims and survivors in the aftermath of crime, building trust among our clients; collaborating with other service providers, and engaging our community in response efforts;

NOW, THEREFORE, I, Ruth Pierce, Mayor of the City of Twin Falls, do hereby proclaim the week of April 24-30, 2022, as

Crime Victims' Rights Week

reaffirming this City of Twin Falls commitment to creating a victim service and criminal justice response that assists all victims of crime during Crime Victims' Rights Week and throughout the year; and expressing our sincere gratitude and appreciation for those community members, victim service providers, and criminal justice professionals who are committed to improving our response to all victims of crime so that they may find relevant assistance, support, justice, and peace.

*In witness whereof I have hereunto set my
hand and caused this seal to be affixed.*

Ruth Pierce, City of Twin Falls Mayor

RESOLUTION NO. R-2022-010

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TWIN FALLS, IDAHO, IDAHO, CREATING AN ART IN PUBLIC PLACES PROGRAM; AUTHORIZING ALLOCATION OF FUNDS FOR ART; ESTABLISHING A METHOD OF CALCULATING ART APPROPRIATIONS FOR CITY CAPITAL PROJECTS; PROVIDING FOR AN ART SELECTION PROCESS; AND ESTABLISHING A PUBLIC ART FUND.

WHEREAS, The City's Strategic Plan sets the community goal of enhancing the appearance of the City of Twin Falls; and

WHEREAS, The City of Twin Falls Public Art Commission (TFPAC) has agreed to act as an advisory commission to the City Council regarding public art issues; and,

WHEREAS, Public art can enhance the community and increase interest in municipal facilities and can be an important tool to aid in the revitalization of the City of Twin Falls; and

WHEREAS, On June 19, 2007, the City Council passed Resolution No. 1785 to outline the process for funding and promoting public art; and,

WHEREAS, The City Council hereby desires to repeal and replace Resolution No. 1785 with this Resolution, to outline policies and procedures for the TFPAC.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF TWIN FALLS, IDAHO, THAT THERE IS HEREBY ESTABLISHED A TWIN FALLS PUBLIC ART COMMISSION, AS FOLLOWS:

I. GENERAL PROVISIONS

A. PURPOSE

The purpose of the Twin Falls Public Arts Commission (TFPAC) is to establish guidelines for the operation, funding, and implementation of a public art program in the City of Twin Falls.

B. MISSION-VISION

The mission of the Public Arts Commission is to enrich the lives of all Twin Falls residents and visitors through cultivating public art programs, enlivening public spaces, and embracing the cultural identity of the region.

The Twin Falls Public Arts Commission believes the arts create inspiring personal experiences, illuminate the human condition, and offer meaningful ways to engage with each other and the world around us. We envision a community that encourages adventurous artists, engaged audiences, and creative initiatives that are supported through community partnerships, programs, and policies.

II. TWIN FALLS PUBLIC ART COMMISSION

A. The values and goals of this commission are as follows:

1. Values:

- i. Foster an inclusive art experience
- ii. Enhance our community through art
- iii. Support local artists and the variety of art aesthetics and mediums
- iv. Allow the arts to be a platform for social change
- v. Treasure our history and rich culture

2. Goals:

- i. Initiate, acquire, exhibit, and maintain public art through a transparent public process
- ii. Engage in arts education efforts
- iii. Advocate for local artists and organizations
- iv. Support collaboration and community partnerships
- v. Encourage personal, emotional, community and tourism-based growth through the arts

B. The duties and responsibilities of this commission may include but are not limited to the following:

1. To facilitate the placement of public art in public buildings and public spaces;
2. To inform City residents and visitors about public art;
3. To make recommendations to the City Council on a public art policy;
4. To make recommendations to the City Council regarding the selection of art and artists, the acquisition of works of art, and the acceptance of gifts and loans of art work;
5. To recommend sites and placement of public art projects;
6. To raise funds for public art projects;
7. To maintain an inventory and documentation of the City's collection of public art; and
8. To survey the City's collection of public art to determine if works require maintenance or other attention.

C. Any selected works of art must comply with the following standards in addition to any guidelines subsequently established by the City Council upon recommendation of the TFPAC.

Selected works must comply with the mission, vision, values, and goals of the TFPAC.

1. The work of art must be located in a public place with public visibility and impact.
2. The work of art must be consistent with general standards of decency and respect for the beliefs and values of the community

D. Review the TFPAC policy will be conducted at least every two years

III. DEFINITIONS

- A. Public art is any work of art in any media, including both visual and performance art, that has been designed, planned, sited, or executed in a space accessible to the general public, anywhere from a public square to a wall inside a building open to the public.

IV. FUNDING FOR ACQUISITIONS

- A. At the beginning of each fiscal year, the City Council shall place in the public art account an amount equal to five hundredths of one percent (0.05%) of the total budget of all General Fund capital improvement projects. The City's contributions to the public art account pursuant to this chapter shall be funded from the City's current expense fund.
- B. Upon request from the TFPAC, the City Council shall, during the budget process, review the proposed project and determine use of funds from the public art account. Of the funds allocated to the public art project:
 - 1. No less than seventy-five percent (75%) shall be allocated toward purchase, creation, or installation of such public art pieces.
 - 2. No more than twenty-five percent (25%) shall be used for administrative costs including but not limited to actual acquisition siting, costs of selection of public art, and maintenance of public art. Additional Public Art Program Appropriation Funding – would be in addition to capital improvement project annual allocation.
- C. A Public Arts Account shall be established, into which monies from this Resolution shall be deposited. Preference shall be given to arts projects which are a part of the capital project generating the funds, but in the event that such is not practical, the funds may be set aside for future public arts projects.
- D. Special Designated Funds: From time to time, special funds may be established for the express purpose of commissioning works of art in accordance with the terms of this policy. For example, a special increment tax may be established by voters for capital projects with a portion assigned to public art.
- E. Voluntary Allocations: Entities may deposit additional funds into existing public art accounts or create new public art accounts at the Commission's discretion.
- F. Donated Artwork or Funds: Funds or works of art may be donated to the City. (See section VII)
- G. Grant, Partnerships, Collaboration Funding: Collaborate with community partners to initiate funding/development of public art projects.
- H. New Development Funding: develop partnerships with private developers to encourage public art installations within new and existing developments.
- I. Public Art Maintenance Funding: The funding to maintain and conserve acquired works of art is a critical component of the public art program (as referenced in section IV, B, 2. of this document).
- J. Projects funded by other City departments: Oversight of Public Art projects funded through various departments

V. ART COMMISSIONING PROCESS

The TFPAC will commission works of public art and seek approval in the form of a recommendation to the City Council. An art commissioning process will be defined and executed on a case-by-case basis. Interested artists will be responsible for completing the process as determined by the TFPAC to be considered and/or commissioned.

VI. PUBLIC ART SELECTION FOR UNIQUE OPPORTUNITIES

Unique Opportunities will arise that may not be suitable to the process describe above due to timeline, budget size or other considerations. Qualification of a project as being a “unique opportunity” will be determined through the recommendation of the TFPAC to the City Council and may be considered on a case-by-case basis.

VII. DONATIONS OF ARTWORK

Works of art may be offered as a donation to the City of Twin Falls. The TFPAC is responsible for reviewing and evaluating the suitability of a proposed artwork and shall present a recommendation to the City Council for approval. If accepted by the City Council, the maintenance of a gift of art is the responsibility of the City.

VIII. MAINTENANCE AND CONSERVATION

It is the responsibility of the City of Twin Falls to manage and coordinate the maintenance of all works of art in the City’s public art collection.

- a. All commissioned artists will be required to complete a conservation record form that provides information on materials, fabrication methods, installation details, and recommended maintenance.
- b. City support staff will maintain a computer database inventory and a catalog of relevant documents for artworks owned by the City.
- c. City will facilitate routine cleaning and maintenance of artworks based on recommendation by a professional art conservator or based upon information provided by the artist on the conservation record form.
- d. A professional art conservator or person(s) trained by a conservator may be consulted or hired to provide maintenance and conservation work for the City’s public art collection.
- e. Participating departments should notify the TFPAC immediately if an artwork is either damaged or stolen or if the participating department plans to move the artwork or in any way alter its location or use.
- f. The City shall maintain adequate insurance coverage for its public art collection.

IX. DEACCESSION AND RELOCATION

In the event a work of art may need to be considered for removal, sale, trade, or gifting (deaccessioning), the City of Twin Falls Arts Commissioners shall present a recommendation to the City Council. The Commissioners shall state in the recommendation of whether the artwork should be removed, sold, traded or gifted; the rationale for the recommendation; and how the recommendation will provide for maximum value with attendant benefits to the citizens of Twin Falls. Proceeds of a sale shall cover the expenses of the sale with any net revenues deposited into the Public Arts account of the City of Twin Falls. This will be done in accordance with state and local legislation.

PASSED BY THE CITY COUNCIL, April 18, 2022.

ACTION ITEM

Request:

Consideration of a request to approve the Sippin' at Sunset event.

Time Estimate:

Staff is requesting this item be placed on the Consent Calendar

Background:

Angela Miller of Ronald McDonald House Charities has submitted a special event application requesting to hold the Sippin' at Sunset event at The Stone House and on 4th Avenue South. This event is scheduled to take place on Thursday, September 29, 2022, from 6:00 p.m. to 9:00 p.m.

The event is a fundraiser for Ronald McDonald House and has been held at an event center prior to this year. The event organizer would like to close 4th Avenue South between Idaho Street South and Jerome Street South to allow for additional vendors to participate. The event organizer has been advised to contact a traffic control company to accomplish the road closure compliant with the Manual on Uniform Traffic Control Devices (MUTCD).

There will be a live band on the front deck of the Stone House. Tek Distributing and the Stone House will be catering the alcohol service. The Police Department recommends not requiring law enforcement security for the event because of the alcohol. This recommendation is based on the private nature of the event and that prior events with the same number of individuals that have purchased tickets to attend have resulted in no police responses.

The two businesses that may be affected have been contacted by the event organizer and have communicated that due to the time of the event, it will not interfere with their normal business operations. The event organizer estimates 200 people will be in attendance based on past years events and invitations to the event.

ACTION ITEM

Request:

Request to approve the annual Twin Falls Tonight Concert Series.

Time Estimate:

Staff requests this item be placed on the Consent Calendar.

Background:

Robin Dober, on behalf of the Twin Falls Tonight Committee, has submitted a special event application requesting to hold the annual Twin Falls Tonight Concert Series. The Twin Falls Tonight Concerts are an annual outdoor event held in downtown Twin Falls. This event will be held in the Downtown Commons and portions of Main Ave and Hansen Street.

The concert series will be held on five (5) Wednesday evenings, beginning June 22nd and ending July 27th. Each week the event begins at 6:00 p.m. and ends at 9:00 p.m. The event incorporates live amplified music, a bounce house for children and the market on Main Avenue. The band stage will be in the Downtown Commons area.

Alcohol will be served, and catering will be provided by Soran's Catering. Identification will be checked by Twin Falls Tonight Committee members and wristbands will be issued accordingly.

The committee has arranged for a lost child booth and first aid booth at this year's concerts.

Parking for the events will be the public lots in downtown Twin Falls.

Based upon last year's attendance, the committee estimates 800 to 1200 people will attend the event on each Wednesday evening. Based on the recommendations of the Twin Falls Police Department, the committee will hire four (4) Twin Falls County Deputies to provide security for the concerts.

Approval Process:

Consent of the City Council

Budget Impact:

This event will require law enforcement security and the Twin Falls Tonight Committee has contracted with the Twin Falls County Sheriff's Office for said security. Therefore, there will be no cost to the City of Twin Falls.

Conclusion:

Relevant City Staff members have approved the Special Events Application request. Based on this request and the information provided, Staff recommends that this event be approved.

The Twin Falls Police Department Staff recommends that the on-duty Patrol Supervisor be given the authority to order the event organizers to mitigate the sound of amplified music. If there are continued noise complaints or disturbances by those participating in the event, and non-compliance, the on-duty Patrol Supervisor shall have authority terminate the event.

ACTION ITEM

Request:

Request to confirm the City Manager's appointment of Joshua Baird to the position of Public Works Director for the City of Twin Falls.

Upon confirmation, Mayor Pierce will issue the Oath of Office.

Time Estimate:

The staff presentation will take about ten minutes. Following the presentation, additional time may be necessary for questions and discussion.

Background:

The purpose of this agenda item is to appoint Mr. Joshua Baird to the position of Public Works Director for the City of Twin Falls. Josh has been served in the capacity of City Engineer since June 6, 2021 and was official appointed in November 2021. In January 2022, the City's Public Works Director position opened, Josh approached the City Manager asked that he be considered for the position.

Both the City Engineer and Public Works position are members of the City's executive leadership team.

Josh has been with the City of Twin Falls since 2013. He has led several significant engineering projects, including the Stockyard Sewer Replacement (2014), Eastland Drive North project (2018), Falls Avenue & Eastland Intersection project (2019), Twin Falls City Pool Parking Lot (2019), and Hankins Road project (2021).

In addition to his many contributions to the community, Josh has helped our organization transform its operating culture and champions the One City model. He has volunteered his talents on several parallel teams and help create the City's Operational Values. Since being placed in the role of City Engineer, Josh has already made several contributions to the department and the organization.

From Josh's biography...

Josh is the fourth child of five and attended Inkom Elementary School, Marsh Valley Middle and High School in southeast Idaho. He played soccer, basketball, and golf in high school and was an Eagle Scout. In high school he was voted Most Likely to Succeed by his peers and was awarded the 1999 Marsh Valley High School Most Outstanding Student.

He attended Idaho State University for a year on a Presidential Scholarship before embarking on a 2-year mission to Düsseldorf Germany for the Church of Jesus Christ of Latter-day Saints. Upon completion of his missionary service, he once again attended Idaho State University and graduated in December 2005, majoring in Civil Engineering, and minoring in German.

While at ISU, he met the love of his life, Emmylou Hepworth, who was attending Pharmacy School. They married in August 2004 and moved to Twin Falls in 2006. There, Josh began his professional career with Riedesel Engineering as an Engineer-in-Training. In 2011, Josh & Emmylou decided to move back to Pocatello. Josh went to work for the City of Pocatello and was able to accomplish one of his lifelong bucket list items by teaching the Transportation Engineering course at Idaho State University for a semester. After 18 months, they decided they wanted to make Twin Falls their permanent home and moved back in February 2013. That is when Josh started his career at the City of Twin Falls as a Staff Engineer.

Josh and Emmylou have been blessed with four children, Hannah (14), Mariah (12), Megan (8), and Ryan (3). Josh currently serves on the Executive Committee for the Idaho Standards for Public Works Construction and is the Magic Valley Chapter MATHCOUNTS coordinator. He built his own home near Kimberly in 2014 with the help of his father and enjoys snowmobiling, watching sports, eating good food (especially dessert), spending time with his family, and playing golf on his phone.

Approval Process:

The approval of this request requires a simple majority (50%+1) of the members in attendance at this meeting.

Budget Impact:

The total cost of the City Engineer position is funded in the current FY 2022 Budget.

Regulatory Impact:

Idaho Code Section 50-811, City Manager – Duties, states: shall “(m)ake the appointment of all department heads, subject to such civil service regulations as may relate thereto.”

Twin Falls Municipal Code Section 1-2-3 – CITY MANAGER – states, “The city council and its members shall deal with the administrative services of the city only through the city manager, except for the purpose of inquiry, and neither the city council nor any member thereof shall give orders to any subordinates of the city manager. It shall be the responsibility of the city council and its members to aid and assist in an advisory capacity any department head, individually or collectively, on any phase of policy and/or public relations, such association not to conflict with the administrative duties of the city manager. (Ord. 3106, 10-5-2015)

Twin Falls Municipal Code Section 1-2-4 defines department heads as the deputy city managers, chief financial officer, police chief, fire chief, city engineer, public works director, and human resource director. (Ord. 3106, 10-5-2015)

ACTION ITEM

Request:

Request to confirm the City Manager's appointment of Troy Vitek to the position of City Engineer for the City of Twin Falls.

Upon confirmation, Mayor Pierce will issue the Oath of Office.

Time Estimate:

The staff presentation will take about ten minutes. Following the presentation, additional time may be necessary for questions and discussion.

Background:

The purpose of this agenda item is to appoint Mr. Troy Vitek to the position of City Engineer for the City of Twin Falls. After conducting a nationwide search and formal interview process, Troy was recommended to by the members of two interview panels. The panel included members of the City Council, the City's executive leadership team, peers, subordinates and members of the development community.

Both the City Engineer is a member of the City's executive leadership team.

Troy was hired serve as the City's Assistant City Engineer for the City of Twin Falls in 2009. Over his tenure, he has overseen several important projects, including: the development and subdivision processes,

Troy has been an active leader in our pursuit of becoming a high performing organization. Troy has been a participant One City model. He has attended served on several parallel teams and help create the City's Operational Values. Since being placed in the role of City Engineer, Josh has already made several contributions to the department and the organization.

From Troy's biography...

Troy Vitek was born locally at the Twin Falls County Hospital near rock creek. He grew up on Walnut Street, less than a mile from City Hall. He attended Bickel Elementary School, O'Leary Middle School, and graduated from Twin Falls High School. After graduation, Troy ventured off to Idaho State University in Pocatello. There, he would graduate with a Bachelor of Science in Civil Engineering. Troy was recruited to work for Hensel Phelps Construction, and he moved his young family to the San Francisco Bay Area. He worked as a Field Engineer on several projects for a year before realizing how much he missed his family and hometown.

In 1999, Troy moved back to Twin Falls after being hired by a local Engineering firm. While with this firm, he designed and managed many subdivision projects. In 2009, Troy was hired by the City of Twin Falls to serve as the Assistant City Engineer. In this role, he has worked alongside architects, developers, and engineers in the development of new subdivisions and an array of commercial projects. For the past thirteen years, Troy has helped shape the growth of Twin Falls as it has transitioned into this growing metropolitan area. Troy is excited to take on the new role of City Engineer, support the City's comprehensive and strategic plans, and help the City Council realize its vision for Twin Falls.

In his off hours, Troy enjoys spending time with his family, camping, boating, water skiing, or vacationing. Troy is married to Krysta and has 5 children ranging in age from 24 to 3.

1. US-93 Improvements Fact Sheet_FINAL

US-93 Improvement Projects

The Idaho Transportation Department (ITD) will improve the pavement on US-93 in Twin Falls as part of two rehabilitation projects that will begin this spring.

Construction on both projects is scheduled during overnight hours to reduce impacts to motorists. Some work will be **noisy**, including equipment and back up alarms.

Pole Line Road

(Blue Lakes Blvd. to Grandview Dr.)

The roadway surface will be improved to provide better traction and enhance safety for motorists. Business access may be briefly limited at night when equipment moves in front of a cross street or driveway.

Blue Lakes Blvd.

(Perrine Bridge to Pole Line Rd.)

The existing surface will be milled and replaced with new pavement and the southbound right turn lane will be reconstructed. Other improvements include ADA pedestrian ramp upgrades and traffic signal replacement at Fillmore St./Bridgeview Blvd. All lanes on Blue Lakes will be open to traffic during the day.

Proyectos para mejorar la carretera US-93

El Departamento de Transportación de Idaho (ITD) renovará el pavimento de la carretera US-93 en Twin Falls como parte de dos proyectos de rehabilitación que comenzarán esta primavera.

La construcción de ambos proyectos está programada durante horas de la noche y así reducir el impacto de los automovilistas. Algunos trabajos serán ruidosos, incluyendo la maquinaria y las alarmas de retroceso.

Pole Line Road

(Blue Lakes Blvd. hasta la Grandview Dr.)

La superficie de la carretera será renovada para proporcionar una mejor tracción y mejorar la seguridad de los automovilistas. El acceso comercial podrá verse limitado brevemente por las noches cuando el equipo trabaje frente a una intersección o entrada de vehículos.

Blue Lakes Blvd.

(Perrine Bridge hasta la Pole Line Rd.)

La superficie de la carretera existente será molida y será remplazada con un nuevo pavimento y se reconstruirá un carril para dar vuelta a la derecha en dirección el sur. Otras mejoras incluyen la actualización de las rampas para personas discapacitadas y el remplazo del semáforo en la intersección de la Calle Fillmore y Bridgeview Blvd. Todos los carriles de la calle Blue Lakes estarán operando durante el día.

Commercial Vehicles

FREIGHT CONSIDERATIONS

- Heavy vehicles comprise at least 10% of total traffic on most major roadways.
- River crossings have 4,600 heavy vehicle trips per day.
 - US 93 - 2,800 (61%)
 - SH 50 - 1,200 (26%)
 - SR 46 - 600 (13%)

Existing Traffic Operations

- Majority of roadways and intersections operate at level-of-service (LOS) C or better during the PM peak hour.
- Intersections that operate at LOS D or worse include:
 - Blue Lakes Blvd/Pole Line Rd
 - Blue Lakes Blvd/Addison Ave

ORIGIN-DESTINATION STUDY

Future Traffic Operations (2040)

- Several roadways and intersections in Twin Falls are expected to operate at LOS F during the PM peak hour in year 2040 traffic conditions.
 - Blue Lakes Blvd/Pole Line Rd
 - Blue Lakes Blvd/Addison Ave
 - Washington St/Addison Ave
 - Shoshone St/Minidoka Ave
 - Blue Lakes Blvd/Kimberly Rd
 - Blue Lakes Blvd (Snake River to Kimberly Rd)
 - Falls Ave (Blue Lakes Blvd to Hankins Rd)
 - Washington St (South of Addison Ave)
 - Addison Ave (Hankins Rd to N 3400 E)
 - Pole Line Rd (East of US 93)
- Most roadway segments outside of Twin Falls are expected to operate at LOS C or better in year 2040.

Intersection of Blue Lakes Blvd. and Pole line Rd.

- A revised intersection and a second US-93 Canyon Crossing may benefit congestion reduction and local circulation.
 - Intersection update with a new crossing has shown strong benefits:
 - Reviewing a widened intersection or full Interchange with bridges.
 - Would also likely support access to local roads and intersections.
- May provide overall better Mobility and Economic Opportunity for highway users and local users.
 - Better vehicle movement to access businesses and recreation in the area.
 - Provides a redundant system for an aging infrastructure.
 - Efficient transportation of goods and services to the citizens vital to economy, including emergency services.

New Snake River Canyon Crossing

Goal: Program project in our next 7-year STIP

- Current Perrine Bridge:
 - 46 year old, 1500' long and 60' wide
 - 6th longest in Idaho
- Bridge location:
 - Similar look and length as Perrine
 - Redundancy
- Feasibility- length is key
 - feasible, fundable, buildable
- Engineering Scoping Report this year
 - Horrocks Engineering hired.
- Public Outreach for input
 - Local partnerships a priority
- Modification at Blue Lakes Blvd. and Pole Line Road part of report
