3) Items of Consideration

- a) Continue funding conversation

An update was given from the last meeting discussion by Director Davis. There was a recommendation on making a request for additional funding via resolution. There was discussion on funding allotted for maintenance. Further discussion on requesting budget by increments for each year moving forward for a number of years instead of a flat amount annually. Discussion included a desire to have public art included in the City's strategic plan document.

- b) Discuss Public Art Inventory and Maintenance needs

There was discussion on putting together a spreadsheet for the next meeting. We need a more accurate list deciphering public art on City property versus public displayed art on public property, and defining what is public art.
