Date: Monday, June 20, 2016, Council Meeting
To: Honorable Mayor and City Council
From: Staff Sergeant Ron Fustos, Twin Falls Police Department

Request:

Consideration of a request from the "Magic Valley Citizens' 4th of July" to approve the annual fireworks display held at the College of Southern Idaho on Monday, July 4, 2016. This event will begin at 8:00 p.m. and will conclude at approximately 11:00 p.m.

Time Estimate:

Staff requests that this item be placed on the Consent Calendar.

Background:

The Fourth of July fireworks celebration has been held for many years at the College of Southern Idaho. The Twin Falls City Band will play from 8:00 p.m. to 8:30 p.m. on the CSI Campus. The fireworks display will begin at approximately 10:00 p.m. and is expected to conclude by 10:20 p.m. As in the past, the area around the CSI Campus will be closed to traffic at 9:00 p.m.

Our evaluation of this event considered the following factors:

1. History – Fireworks Event

- The Fourth of July fireworks event has been an annual event for many years.
- The calls for service experienced during the 2015 event were minimal.

2. Expected Crowd Size

- Attendance at past fireworks events has been estimated to be in excess of 3,000 people. The Twin Falls Police Department will provide a minimum of two (2) Police Officers to patrol on bicycles through the interior of the campus during the event.
- This event will require a total of fifteen (15) Twin Falls Police Officers, four (4) non-sworn employees, and several volunteers. Officers from other local law enforcement agencies will assist with traffic control. The entire event requires thirty-five (35) people to provide traffic control and to ensure the safety of citizens.

3. Traffic Concerns

- Falls Avenue will be closed at 9:00 p.m. between Blue Lakes Boulevard North and Washington Street North. North College Road will also be closed between Blue Lakes Boulevard North and Washington Street North. The road closures will be controlled by traffic cones, barricades, and Police Officers and non-sworn personnel of the Twin Falls Police Department.
- Cheney Drive from Washington Street North to North College Road will be closed.
- The City of Twin Falls will provide barricades and traffic cones.

4. Live Music

- The Twin Falls City Band will be providing entertainment on the CSI Campus from 8:00 p.m. to 8:30 p.m. The Twin Falls City Band has performed for this event for the last several years.

5. Interest to City of Twin Falls

- The Twin Falls Police Department feels the necessity to make this a safe event for the citizens of our community.

Approval Process:

Consent of the City Council.

Budget Impact:

The special event overtime cost for the Twin Falls Police Department will be \$2,376.00. The cost of this special event is included in the Patrol Division's 2015-2016 overtime budget.

The Police Department will also contract with Roadwork Ahead for additional traffic control personnel as needed. In 2015, six (6) Roadwork Ahead personnel were used at a cost of \$468.

Regulatory Impact:

This event will require fifteen (15) Twin Falls Police Officers and four (4) non-sworn employees.

The Twin Falls Fire Department has approved and signed the Special Event Application.

The Twin Falls City Street Department will provide traffic cones and barricades. The Street Department will pick up the traffic cones and barricades the next business day, during normal working hours.

Conclusion:

Several relevant City Staff Members have met and approved this application.

Staff recommends that the City Council approve the Special Event Application submitted for the "Magic Valley Citizens' 4th of July" event as presented.

To: City Council
From: Mayor Shawn Barigar

Request:

Consideration of a request to confirm the re-appointments of Gary Garnand to the Twin Falls Urban Renewal Agency board.

Time Estimate:

The presentation will take approximately 2 minutes. Following the presentation, additional time may be necessary for questions.

Background:

Gary Garnand was appointed to the Urban Renewal Agency Board in July, 2015 to fill the final remaining year of a term that was open when Sarah Taylor, a previous Board member, resigned. That partial term expires at the end of this month. As this was only a partial term, Gary is eligible to be reappointed to two more full terms. Gary has requested to be reappointed. I reviewed his request with Don Hall, the Council liaison to the Board, and with Dan Brizee, the Board Chairman. We agree that Gary has been an excellent Board member and has had great attendance and participation. Therefore, I recommend that the Council confirm my re-appointment of Gary to his first full, 3-year term. This term will run from July 1, 2016 to June 30, 2019.

Approval Process:

City Code 2-1-1 states that the board members be appointed by the Mayor and confirmed by the Council and can serve two 3-year terms

Budget Impact:

None

Regulatory Impact:

Approval of this request will maintain full membership on the TFURA board.

Conclusion:

I request that the Council confirm my reappointment of Gary Garnand to the Twin Falls Urban Renewal Agency Board.

To: Honorable Mayor and City Council

From: Sean Standley, Code Enforcement Coordinator

Request: Update and Presentation regarding Code Enforcement practices and policies.

Time Estimate: The presentation will take approximately 10 minutes with additional time for questions.

Background: The purpose of this agenda item is to provide the City Council with an update in regards to Quality of Life issues affecting the citizens and visitors of the City of Twin Falls. Additionally, it is to illustrate how Code Enforcement strives for compliance through continuous public education, community and neighborhood involvement while keeping judicial enforcement as a "last resort".

From: Mandi Thompson, Grant and Community Relations Manager

Request: Presentation to Council on the results of the 2016 National Citizen Survey

Time Estimate: 15 minutes for the presentation plus time for questions and comment from City Council.

Background: The National Citizen Survey identifies community strengths and weaknesses, as well as service strengths and weaknesses. This is the fourth survey the City of Twin Falls has participated in through NCS (2009, 2012, 2014 and 2016). The 2016 survey was mailed in two waves – pre-notification postcards and actual survey. The postcards were mailed the week of February 5, and then the surveys were mailed the week of February 12 and February 19. Data collection continued through March 18.

Of the 1,400 surveys mailed, approximately 4% were returned undeliverable. Of the remaining 1,338 households that received the survey, 405 surveys were completed, providing an overall response rate of 30%. This was an increase from 2014 when only 373 surveys were completed.

Overall, ratings in Twin Falls for 2016 generally remained stable. Of the 131 items for which comparisons were available, 86 items were rated similarly in 2014 and 2016, 20 items showed a decrease in ratings and 25 showed an increase in ratings

Approval Process: None

Budget Impact: None

Conclusion: The results of the National Citizen Survey can be used to benchmark areas of success and decline, as well as provide a tool for updating the Strategic Plan.

Request

A presentation about the City's progress on the FY 2017 budget preparation, followed by citizen input.

Time Estimate

The estimated amount of time this item will take is 20 minutes.

Background

The purpose of this agenda item is to provide a brief update on the status of the City of Twin Falls' 2017 fiscal year budget. This is the last preliminary budget discussion scheduled prior to the presentation of the City Manager's recommended budget for FY 2017. Over the past several years, these preliminary discussions have assisted in guiding and developing the previous budget concepts and strategies. Prior to this presentation, the following budget related discussions were all completed:

- March 14, 2016 – The City Manager discussed his budget priorities for FY2017 with the Council,
- March 21, 2016 – The City Council provided input on Council's budget priorities to be included in the Long Term Plan,
- April 25, 2016 – The Long Term Planning Committee presented the 2016 Long Term Plan recommendations to the Council, and
- May 23, 2016 – The City Manager discussed his budget priorities again, as they related to a proposed June 2016 salary table adjustment and FY 2017 budget for employee compensation.

Following this presentation tonight, the City's Manager's recommended budget for the 2017 Fiscal Year will be presented to the members of the City Council for its review and deliberation in early July, 2016.

The City views its planning and operations in a strategic manner. Our fiscal, operational and organizational strategies are governed and directed by the City's 2030 Strategic Plan. The Strategic Plan has a series of vision statements, that when viewed collectively, will allow us to create and maintain an accessible, healthy, learning, environmental, responsible, prosperous, and secure community with a strong internal organization designed to be able meet the needs of our citizens, businesses and visitors. The Strategic Plan is divided into eight, equally important focus areas: a *Healthy Community*, a *Learning Community*, a *Secure Community*, an *Accessible Community*, an *Environmental Community*, a *Prosperous Community*, a *Responsible Community*, and recognition of the importance of the *Internal Organization*. For each focus area, there is a description of the vision for that topic in the year 2030. To review the vision descriptions, please see the City of Twin Falls 2030 Strategic Plan.

As noted above, on March 14th, the City Manager presented his budget priorities for the Council's consideration. The primary focus of that presentation was employee recruitment/retention and how overall employee compensation affects recruitment/retention efforts. It was demonstrated that the City has made incredible strides to improve overall employee compensation over the last few years. However, Twin Falls is still not the employer of choice in our area. That is the City Manager's primary goal in moving forward with the FY 2017 budget, to make advancements in overall employee compensation and become the employer of choice in our area. The Council echoed the City Manager's feelings that evening and stated their support for attracting and retaining a quality workforce. The Council added that they also prioritize budget strategies that will further the goals within the Strategic Plan.

On March 21st, The Council was asked to share their budget priorities for inclusion in the Long Term Plan and the FY 2017 budget. The Council's input included the following:

Personnel

- Support for the City Manager's priority of overall employee compensation
- Support for employee development and training to improve employee knowledge, skills, and ability
- Support for other types of employee support, not just training and salary, but mentoring, incentives, cross training

General

- Implementation of our various plans, including Strategic Plan, Water Facility Plan, Comprehensive Plan, Parks Master Plan, and Transportation Master Plan
- Finding technological improvements that will improve efficiencies and reduce use of paper

Capital

- Improving existing sidewalks in disrepair and adding sidewalks where there are none
- Extending the City's trail system
- Quality infrastructure, including streets, water lines, water storage, and sewer
- Finding a way to develop a City recreation center

Programs & Services

- Public transportation, particularly for seniors
- Continued development of our GIS program

On April 25th, members of the Long Term Planning Committee presented their thoughts and suggestions. Their presentation was the culmination of a four-month process. The members of this group spent time reviewing the City's Strategic Plan and discussing the organization's operational and capital needs. This group was tasked with updating the City's five-year fiscal planning model, tying the goals and objectives in the City's Strategic Plan to the budget, and defining the needs of the organization. The major themes presented by the members of the long term planning committee were consistent with the City Manager and City Council's direction. Those themes included an emphasis on employee attraction and recruitment through overall compensation and training, a continued support for One City efforts, use of technology to improve efficiency, and that we are a service organization that is committed to serving the community and its citizens in the most fiscally responsible manner possible.
