II. CONSENT CALENDAR:

1. Approval of Minutes from the following meeting(s): **August 11, 2014 and August 25, 2014**

Motion:

Commissioner Horsley made a motion to approve the Consent Calendar as presented. Commissioner Pierce seconded the motion.

Unanimously Approved

III. CERTIFICATE OF APPROPRIATENESS: NONE

IV. OLD BUSINESS UPDATE:

1. Idaho Certified Local Government Grant 2014 (Education/Lincoln Lights)
 - Commissioner Watson explained that he has been working on the details for the design guidelines but will need some assistance from the Commission to complete the draft. There is a need for some history to be gathered and some photos will need to be taken.
 - Planner I Weeks stated she will also need to have some information to send to the CLG Coordinator to request an extension for the grant. She will also need information for the request for grant money for the next year.
 - Commissioner Taylor explained that she is willing to help in any way she can she is willing to research history and take photos and willing to write a letter if necessary.
2. Idaho Heritage Trust Grant Program 2014 (Lincoln Lights)
 - Commissioner Rice explained the project is still not complete yet.
 - Parks & Recreation Director Boyer explained that the project is taking a little longer because there was a need to repair some of the lights and there was more damage than originally expected. Once the welding repairs have been done they will need to be powder coated.
 - Commissioner Rice explained if there is a need for the lights to be sandblasted again that will be an additional cost.

- Planner I Weeks stated that there is some additional funding available through the CLG if there is a need.
3. Coordinating Efforts with County Historic Preservation Commission
 - Commissioner Taylor stated she has spoken with this group and they are working on who they want for their liaison; as soon as that has been determined, she will report back the Commission.
 4. CSI partnership walking tour (Ashley Smith from CSI) – Nancy
 - Commissioner Taylor stated details are still being worked out for this project and as soon as she has more information to report she will report back to the Commission.
 5. Idaho Archeology and Historic Preservation Month 2015 – Nancy Taylor
 - Commissioner Taylor stated she would like to make this more of an event than last year. She has a meeting with the Economic Development Manager Anderson to help her determine whether or not this would be possible and if there would be an opportunity for some donations from businesses in the Old Town area to assist with making the event a success. She will report back to the Commission at the next meeting. The goal is to begin planning now so that there is plenty of time to coordinate efforts.

I. CALL MEETING TO ORDER:

Chairman Watson called the meeting to order at 12:06 pm. There is not a quorum however the meeting will precede.

II. CONSENT CALENDAR:

1. Approval of Minutes from the following meeting(s): **September 15, 2014**

Hold for next meeting

III. CERTIFICATE OF APPROPRIATENESS: NONE

IV. OLD BUSINESS UPDATE:

1. Idaho Certified Local Government Grant 2014 (Education/Lincoln Lights)
2. Idaho Heritage Trust Grant Program 2014 (Lincoln Lights)
 - Commissioner Rice stated she cancelled the ribbon cutting for October 30th because she wasn't sure they would be completed. The goal is to have them installed by the end of October but that all depends on the weather and the contractor doing the work.
 - The lights will be scheduled for installation soon. She would like to determine when a new date can be established for a ribbon cutting. She will contact the electrician for an estimated completion date and let Planner I Weeks know.
 - Commissioner Rice will put together maintenance information for the owners of the lights. Commissioner Taylor stated she would be willing to help provide certificates for the owners.
 - Planner I Weeks stated that she has a meeting with the CLG Grant staff to discuss the extension of the grant and releasing a possible RFQ to get assistance with writing the design guidelines for the Historic Park Overlay District.
3. Coordinating Efforts with County Historic Preservation Commission
 - Commissioner Taylor stated she will continue to attend their meeting and if they determine they would like a liaison to attend our meeting that would be fine.

Historic Preservation Commission Minutes

October 20, 2014

4. CSI partnership walking tour (Ashley Smith from CSI) – Nancy
 - Commissioner Taylor stated she has not had any updates from CSI regarding this project. She will update the Commission as soon as she has any information.
5. Idaho Archeology and Historic Preservation Month 2015 – Nancy Taylor
 - Commissioner Taylor stated she is working on a list of possible costs and activities for the event. Once that is complete she will present the information to the Commission and if the Commission wants to move forward with the plan she may be able to obtain some possible sponsors for the event.

V. NEW BUSINESS:

1. Idaho Certified Local Government Grant 2015 (Design Guidelines)
 - Planner I Weeks stated she wanted to move ahead with the Downtown District but it sounds like the CLG Staff may have some other recommendations to assist in moving forward with this project.
 - Chairman Watson stated it seems like the consultants are just re-inventing the wheel and updating the guidelines with a few changes to the verbiage in the guidelines. So he is not sure that is the most financially feasible for the group.
 - Commissioner Taylor explained the information exists but the Commission would need to take into account what the CLG staff would like to see.
 - Commissioner Rice asked if it would be possible to have the consultant review what is being proposed rather than have the entire document created.
 - Planner I Weeks stated the Commission needs to keep in mind we have timelines to follow and the work has to be done by a certain time.

VI. INPUT AND/OR ITEMS FROM THE HISTORIC PRESERVATION COMMISSION

- Commissioner Taylor asked if any progress has been made about attendance for the Commission meetings.
- Planner I Weeks stated Commissioner Hall has resigned her position and she will be working towards getting the vacancy posted. She also updated the Commission on the cell towers that were installed on the Grain Elevators that runs the SIRCOMM system. A building permit was never applied for prior to installation, which is why they were not brought back to the HPC for a second review. She will keep the Commission informed on the progress.

VII. UPCOMING MEETINGS/SCHEDULE: **MONDAY, November 17, 2014 at 12:00 PM**

VIII. ADJOURN MEETING:

Chairman Watson adjourned the meeting at 12:42pm.

Idaho's rivers and lakes were transportation corridors, and used for both irrigating southern Idaho and providing electricity for mining (and later for Idaho households). Mr. A.D. Foote planned for a canal to provide water to farms and mines and that would reach all the way to the Snake River in the west end of the valley. Part of his vision became the New York Canal. But canals and ditches relied on flood flow. That changed 100 years ago. In 1915, the tallest dam in the world, Arrowrock Dam, was completed to provide a ready supply of water for irrigating southern Idaho for use throughout the growing season. (Arrowrock remained the tallest dam until Owyhee Dam was completed 17 years later). As we celebrate the centennial of Arrowrock Dam, think about what a ready supply of water to your communities has meant for the people throughout history. Whether for a food resource, irrigation, flood control, generating electricity, or for recreation, Idaho's water resources have shaped Idaho's commerce and daily life.

Join us as we learn about Arrowrock Dam and other topics related to Idaho's history, archaeology, architectural history and historic preservation.

I thank you in advance for organizing or participating in a May event. Your dedication to giving your time and expertise to the great Idaho community is appreciated by your colleagues and by those that attend your events.

Please return your event information to Jamee Fiore or me by **FEBRUARY 18, 2015. Jamee is assisting with the coordination of events this year and can be reached at jamee.fiore@ishs.idaho.gov or 208-334-3847 ext. 101.**

I encourage you to contact Amanda for assistance to plan or schedule an event. Also, check out the list of programs that are available from the Idaho Humanities Council Speaker's Bureau if you are struggling to think of an event. These speakers provide quality programs and there is only a small application fee. This year we can cover the application fee if your organization can cover the match component of the program. Let me know if you would be interested in this opportunity. http://www.idahohumanities.org/?p=sb_speakers.

I look forward to a great schedule of events in May for Idaho Archaeology and Historic Preservation Month. This is the 27th year for the program!

Questions, please call me at 208.334.3847 ext. 111 or email at maryanne.davis@ishs.idaho.gov.

Thank you.
