3) Items for Discussion

a) New Meeting Schedule: 1st Thursday at 9:30 AM

Motion:

Member Anderson made a motion to move the meeting to the first Thursday of every month at 9:30 am. Member Pierce seconded.

Unanimously Approved

b) Update on Engineering

- Member Lytle explained he did not have much to report. When he approached the engineer about specification for bid, the price for doing that type of engineering went from around \$2000 to between \$8-12,000. He explained that he really just want someone to verify that what his company has designed is structurally sound. He has a company that does this for his office that is located in California. He is willing to approach them and ask if

they could review the design. He also explained he was trying to keep things local and the company in California specializes in signs.

- Member Brown explained that she has no issues with asking a company out of state for this, especially if it is difficult to find someone local that can do it and let us know if what we have in mind will work.
- Member Lytle explained he will follow up with the California Company and get back to the committee. He also asked about the bid process and if a design can go out without engineering, and suggested that may be another option to think about when the money is available and ready to put the project out for bid.
- Facilitator Markus explained that she would find out more about the bid process, what can and can't be done.

c) Message Board Guidelines

- Facilitator Markus explained City Attorney Wonderlich has provided a draft of the resolution, there are items that were struck through because they are not enforceable. One of the most important thing he wants people to understand is that the messages need to be public safety related and information related to local public events.
- City Attorney Wonderlich added it needs to say the messages are sponsored by non-profits registered with the Idaho Secretary of State, this would keep things local and limit the scope of who could post signs, eliminating the need for possible decision making that could cause questions.
- Member Brown explained to be a non-profit in this town you register as a corporation, your corporation registration with the state looks like every other corporations. There is also an IRS determination letter that gives the corporation charitable status. She is not aware of a non-profit registration with the Idaho Secretary of State. There is no such thing as a state designation of non-profit status, that has to done through the IRS.
- Facilitator Markus recommended the verbiage be changed to an IRS approved non-profit status registered with the Idaho Secretary of State.
- Member Brown requested that the number of messages to be displayed not be limited to just 5. There are many non-profit organization have annual events scheduled during the same time each year and if the process it to reserve time ahead of time, it is very possible that other non-profit messages will be denied because the 5 message limit is met.
- Facilitator Markus explained the verbiage could be added that the number of messages can be determination by the administrator.
- Member Roe suggested the order of the sentences in this section be changed.

d) Member Updates on Fundraising

- Member Pierce explained that the Rotary Clubs are still considering the archway for a donation, they are discussing the possibility of doing a donation as part of their centennial anniversary.
- Member Kapeleris explained that the school district will not be donating. As for the Canal Company they may be willing to donate some labor.
- Member Anderson reported that the TF Library Foundation has made a \$250.00 donation. Mr. Bill Kyle has also expressed an interest in being involved.
- Member Lytle stated he should be able to report back at the next meeting if First Federal Bank will make a donation.

e) Archway Timeline

- Facilitator Markus explained there may be a need for alterations to the projected timeline based on the fundraising, but things are progressing.

f) Plan of Action

- Member Pierce will follow up with Deputy City Manager regarding the bid process and what has to be provided in order to post a request.
- Facilitator Markus will discuss advertising and making the public aware of the proposed project. She will also work on possibly having a booth set up during the Downtown Ground Breaking Ceremony to obtain more donations.

4) General Input/Announcements - Public/Staff

5) Upcoming Meeting(s) November 2, 2017 9:30 AM

6) Adjournment

RESOLUTION NO. 2017-__

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TWIN FALLS,
IDAHO, ADOPTING MESSAGE BOARD GUIDELINES.

WHEREAS, The City has constructed a new Message Board above Shoshone Street North/East, to provide public safety information, as well as to provide information regarding local public events; and,

WHEREAS, The City Council deems it appropriate to adopt Message Board Guidelines in order to guide City Staff on the types of permitted messages and the application and posting of messages.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF
THE CITY OF TWIN FALLS, IDAHO, THAT THE FOLLOWING MESSAGE
BOARD GUIDELINES ARE HEREBY ADOPTED.

“Message Board Guidelines

The purpose of the message board is to provide public safety information and information on local public events. All message board requests must be submitted through the Message Board Application Form on the City’s Website at www.tfid.org/forms.

All message board requests must be received 14 business days prior to being placed on message board.

Prior to posting, all applications will be reviewed by the City’s Public Information Officer, once approved the application will be submitted for publishing and an email will be sent to the submitter. If the message fee is not received with the application, the message will not be posted.

After prioritization, availability is on a first-come, first-served basis. Reservations may be made in advance for future scheduled events. Preferably, no more than five messages will be displayed at any time.

Messages will be accepted from the following organizations and will be prioritized as follows:

- Public Safety
- Twin Falls City and County Services and Events
- Twin Falls Government Services and Events
- Twin Falls School District Services and Events (other than registrations)
- Events sponsored by Twin Falls groups with an IRS designation of Non-Profit and that are registered with the Idaho Secretary of State.

Each posting will be limited to the content that can fit on one screen and must be photo ready. The dimensions of the screen are _____. The document must be in _____ format.

No message will remain posted for more than 7 days.

No commercial, political, religious, or for-profit events will be posted. If a non-profit event is sponsored by a for-profit company, that company and its logo will not appear on the posted event.

The City of Twin Falls reserves the right to edit or delete messages.

The City of Twin Falls reserves the right to refuse any message board request that we deem inappropriate, not within the guidelines, or not received in a timely manner. If there is not adequate space due to high volume, your message may be refused or removed. If your message is removed or refused, your payment will be refunded.

If you wish to contest any staff decisions regarding your message posting, you have the right to contact the City Clerk and request to be added to the next available City Council agenda. You will be responsible for presenting to the City Council for final decision.

For questions email tfis@tfid.org or call 208-735-7281.
