**I. CONSENT CALENDAR:**

1. Consideration of the minutes for December 11, 2014.

The Commission was unable to make a motion to approve the minutes due to no quorum.

**II. ITEMS FOR CONSIDERATION:**

1. Discussion on possible addition of compression brake signs east bound on Pole Line Rd. coming into town between Rock Creek Bridge and the Hospital.

Paul advised there is a small sign between Rock Creek and the Hospital. He can still hear the trucks using their compression breaks near the hospital as they are coming into town. He would like to see more signs or warnings given to make the semi drivers more aware of no compression brakes. Sgt. Fustos will speak with Mike Sullivan to see what needs to be done to put more signs out there.

2. Discussion on the 2015 Idaho Highway Safety Summit coming up in May at Pocatello.

Sgt. Fustos handed out a flyer reference the Idaho Highway Safety Summit that is coming up in May in Pocatello. This is for anyone who may have traffic safety issues in their area. Greg Lanting asked if there is a budget to send commission members to this. Stgt. Fustos advised we would have to look into it.

III. **PUBLIC HEARINGS: None.**
