Comprehensive Staff Report

To: Parks & Recreation Commission
From: Wendy Davis
Presenter: Steve O'Connor
Request: Request to recommend approval of a Parks in Lieu contribution for Cedar Park No 11 a PUD.
Application #: PZ18-0029

Public Meeting: June 12th, 2018

Analysis

This is a request for a Parks in Lieu contribution for Cedar Park No 11 a PUD. A 6.94 acre subdivision with 112 proposed residential units.

The requested Parks in Lieu cash contribution is calculated at \$157,506.72 based on the sale price of the property for.

Approval Process

In accordance with City Code Section 10-12-3-11 Section F: The city council may, at their discretion, approve and accept cash contributions in lieu of park land with improvements.

The commission is tasked with forwarding a recommendation to City Council based on, 1) the minimum standards or regulations set forth in City Code, and 2) the guiding principles of the Twin Falls Parks and Recreation Master Plan.

Applicable Regulations or Codes

Per City Code 10-12-3-11 a "minipark" is a minimum of 15,000sq-ft and a "neighborhood" park is at least 3 acres of flat open space.

The amount of land to set aside for park land is equal to the number of residential units multiplied by 0.01

The fee structure for cash contributions for acquisition of park land shall be the

appraised value of the required land area at the time of the application.

The development may qualify for a 50% reduction on their cash contribution in lieu of park land if the development meets all criteria to be called an "in fill" development. (Ord. 2954, 11-3-2008)

Facts

The preliminary plat shows 112 units requiring a 48,787.2 sq-ft +/- park.

~16 Dwelling Units per acre.

The development is within city limits, does border an arterial street, and it will be converted from agricultural land.

Master Plan Compliance

There is not an identified location for a neighborhood park per the Parks Master Plan for this area. Also, this development would not produce the minimum standards required for a neighborhood park. Therefore accepting a Parks in Lieu cash contribution would comply with the master plan.

Conclusion

The Commission is tasked with forwarding a positive or negative recommendation to City Council on whether to accept this Parks in Lieu cash contribution.

Spring/Summer Recreation Guide is done, so look for it soon at the Parks and Recreation office, banks, daycares, airport, City Hall, Library, YMCA and the City pool. The Recreation Guide will also be available on line at www.tfid.org.

We are currently taking registration for our “**Sporties for Shorties**” baseball program. This program is designed for 4 and 5 year old boys and girls. This program is designed to introduce the fundamentals of all baseball in a non-competitive environment. Each Saturday, participants work on skill development while having fun. There are no designated teams or coaches and parents are required to participate with their child. Each participant will receive a t-shirt.

Success Martial Arts is a fun and positive way to give kids a head start. Students learn the benefits of discipline and confidence as well as developing coordination, strength and flexibility. These skills will prove valuable in all areas of life. This program is designed for all ages and levels of ability. Season begins May 1st. The cost is \$149, includes uniform.

Currently we are prepping the softball and baseball fields for **Cal Ripken/Babe Ruth** baseball/softball.

Staff is currently working on the park sign for Harmon Park.

May 19th, 2018 is “Kids to the Park” day. We are celebrating this at Dierkes Lake, May 19th, 10am-2pm. We will have fishing, nature hikes, National Guard, kayaking, archery, grass and sand volleyball, and so much more. This event is FREE to the public. Let’s hope that the weather is good. ☺

Arbor Day: Friday, April 27, 4:00pm Oregon Trail Youth Complex

Recreation Center Committee: Met with City Council to help clarify the process and steps leading to the request for approval of the contract for the feasibility study. Staff will take the feasibility study back to council soon with the requested information and revisions.

Rock Creek Trail: The ground is saturated and is delaying progress on the finalization of the trail. Expected completion date has now been extended to the end of June. Meanwhile, the Urban Renewal Agency approved funds to complete the extension from the bottom of the grade by the P&R office southeast to the sale yard property. Once the ground is dry enough for compaction, the trail will be completed with an approximate .25 mile extension.

Women's Softball: We decided to bring back women's slow pitch softball for the first time since the late 90's! This year we were able to sign up seven teams. Their games will be played at Frontier field 1 and Harmon Field 1 on Thursdays starting May 10th The league will run through the week of July 9th, with a double elimination tournament to follow.

Men's Softball: This year we had 16 teams sign up across three different leagues. This is down three teams from the 16 that we had last year. These games are played at Harmon 1, 2 & 3 on Tuesday and Thursday nights. Starting May 8th and will run through the week of July 9th with a double elimination tournament to follow.

Coed Adult Softball: We have 47 teams across five different divisions, this is down three teams from the fifty that we had last year. These games are played at frontier 1 and 2 as well as Harmon 1, 2, & 3. The season runs through the week of July 9th with a double elimination tournament to follow.

Youth Spring Soccer: Ended on Saturday April 28th, with little to no issues besides the weather conditions that plagued us all season long.

Baseball & Softball: Registration ended Monday April 30th and as of May 1st we have 848 participants overall compared to 1023 at the end of last year. We still have three more weeks left in late registration. Practices can start the week of May 21st and the season will begin the week of June 4th.
