Twin Falls Parks and Recreation Commission Minutes

Tuesday, May 9, 2017, 11:30 AM

City Council Chambers
305 Third Avenue East - Twin Falls, Idaho

Members: Chairman, Cindy Collins; Vice-Chairman, Marc Lambert, Richard Birrell; Aaron Camacho; Z J Martinez; Sherry Murray; Gabe Ostyn; Brian Rice; Tom Reynolds

1) Confirmation of Quorum/Call Meeting to Order

Cindy Collins called the meeting to order at 11:45: AM

A quorum was present.

2) Consent Calendar

- a) Approve minutes of April 11, 2017.

MOTION: Brian Rice moved to accept minutes with the following correction, to correct the time of the meeting 11:30 am. Richard Birrell seconded the motion.

3) Items of Consideration

- a) Review of Recreation Center Ad Hoc Committee

The AD Hoc Committee as explained by Wendy Davis is to outline the community need for a recreation center, establish objectives for the committee, identifies committee membership, defines the role and sets the duration. Wendy explained the role of the committee as followed: Prepare an RFQ for architectural services to design a recreation center and conduct a feasibility study, 2. review and develop design concepts for a community recreation center, 3. review and identify amenity priorities for inclusion in a community recreation center, 4. review and recommend funding options, 5. take public comment, 6. review alternatives, 7. deliberate, 8. make presentations to community and interest groups, and 9. make recommendations to the City Council. Wendy indicated that the committee membership would consist of twelve voting members to be approved by the Mayor and City Council. She also presented a list to the Commission of the entities to be represented. Wendy asked for input from the Commission in regards to who might be appropriate representatives to be on this committee. Wendy also indicated that there would be a Council Liaison and a Parks and Recreation Commission Liaison. Discussion followed. Wendy then directed the Commissioners to think about the project and to email or call her with their suggestions and names of people that might be interested in sitting on this committee. Wendy would like to take this to the Council the end of May and get started in June.

- b) Overview of Parks and Recreation Master Plan

The Parks and Recreation Master Plan was presented to the City Council and is not finalized yet as there were changes the Council wanted to see made. Wendy brought the new Commissioners up to date with a brief overview of the Master Plan. The level of service was put up for debate at City Council. The level of service is the guiding factor in determining park needs to maintain a certain level of acreage of parks per the population. Our level of service is

3.42 acres per 1,000 population when considering neighborhood and community parks. The national average is more like 4-6 acres. Regional parks were left out and this concerned the Council. The regional parks are the Canyon Rim Trails, Auger Falls and Shoshone Falls/Dierkes. These parks were left out because the focus was more on the community and neighborhood park needs. When large corporations are looking to relocate to a community they will be looking at a Parks Master Plan and Council felt that by leaving out these parks would be a huge disservice to our community. The revision addresses these parks in a little more direct way so that they will be addressed. If we continue to add these in we stay below the national average which is okay, if we add them in we are looking at 26.33 acres per 1,000. That figure influences the new sub-divisions and the number of parks needed. Once this is incorporated into the Master Plan we will have a final Master Plan. Wendy further discussed what the Master Plan is and how it is utilized in the Parks and Recreation departments and all those involved in the community and to familiarize the Commission on how to use it. Wendy also talked about the community survey and how it can be a useful tool as well as the analysis. Wendy would like to see the Commission work on the inventory list that was done prior to the survey. She would like each Commissioner take a park or two and visit the park and come back to the Commission with feedback. A general consensus was to have Wendy assign each Commissioner a park or two for them to visit and report back on the next commission meeting.

4) Department Updates

a) Recreation Coordinator/Supervisor Update

Wendy indicated that she would like to have the updates reviewed by each Commissioner and if there are any questions they would be addressed during the meeting. No questions were raised at this time.

b) Pool Updates

No questions at this time.

c) Directors and Parks Update

Wendy gave an update on Arbor Day. Four trees got planted. Cactus Petes showed up and donated \$500 for trees. There were two members of the Youth Council present and one of them read the Proclamation. The Boys and Girls Club also showed up.

Nikki Boyd indicated that the bid to continue the Canyon Rim Trail was awarded to Kloepper with an expected date of completion to be September 15, 2017.

Tom Reynolds said that he has been asked about dogs on leash signs at Auger Park. City Code applies to all the parks and there will be signs installed at that park. Wendy would like to review the Code on dogs on leash in City Parks.

5) Adjournment

a) Adjournment

The meeting adjourned at 12:59 pm. Next meeting will be June 13, 2017 at the Council Chambers at 11:30 am at 305 3rd Ave E.

Date: Tuesday, June 13, 2017
To: Parks and Recreation Commission
From: Wendy Davis

Request:

Request to approve the Facility Use Agreement between Twin Falls School District and the City of Twin Falls

Time Estimate:

Staff presentation will take approximately 2 minutes. Following the presentation, we expect some time for questions and answers.

Background:

The current Facilities Use Agreement with the Twin Falls School District #411 expired last year on September 30, 2016. The new agreement is scheduled to expire on May 23, 2022.

The Parks and Recreation Department uses the School District's facilities approximately 1,200 hours (gymnasiums) during each year for little or no costs. The School District uses the following City's facilities: Cowboy baseball field, Sunway Soccer Fields, tennis courts, and the golf course, and soon the School District will also be using the municipal swimming pool for practice and swim meets for little or no costs. This agreement has benefited the taxpayers of Twin Falls for many years as we shared the use of certain facilities, shared maintenance costs, shared equipment purchases, and even shared some construction cost on facilities. There is a slight change in this current agreement. The municipal swimming pool was added and so was field prepping.

The Twin Falls School District #411 Board approved and signed the proposed Facilities Use Agreement at their June 12th board meeting.

Fritz Wonderlich has reviewed and given his consent on the agreement.

Approval Process:

A simple majority will approve this request. Approval will recommend that the Council approve this request.

Budget Impact:

Approval of this agreement save the City money by providing facilities for youth and adult recreation programs with little or no cost. Our youth and adult basketball programs could not exist without the use of the Twin Falls School District's facilities at little or no cost.

Regulatory Impact:

None

History:

N/A

Analysis:

N/A

Conclusion:

Staff recommends that the Commission approve this request.

1. Facility Use Agreement Twin Falls School District

FACILITIES USE AGREEMENT

THIS AGREEMENT is made and entered into this _____ day of _____, 2017, by and between the CITY OF TWIN FALLS, IDAHO, hereinafter called "City" and TWIN FALLS SCHOOL DISTRICT NO. 411, hereinafter called "School District",

W I T N E S S E T H:

WHEREAS, the City does, from time to time, desire to use facilities owned by the School District, including real property, improvements thereto and equipment and other personal property located thereon which are collectively, for purposes of this Agreement called "School Facilities"; and,

WHEREAS, the School District does, from time to time, desire to use facilities owned by the City, including real property, improvements thereto and equipment and other personal property located thereon which are collectively, for purposes of this Agreement, called "City Facilities"; and,

WHEREAS, it is the intent of the parties to set forth certain conditions for use of facilities.

NOW, THEREFORE, It is agreed to by the parties as follows:

1. The School District agrees to allow the use of its school facilities for activities of the City under the following conditions:

a. NOTIFICATION: The building principal and head custodian are to be notified by the City of all events to take place at school facilities prior to the event being scheduled. Any deviation from the approved schedule must include notification to the school as soon as possible.

b. PRIORITY OF USE: The School District shall have priority in the use of all school facilities for school purposes.

c. SUPERVISION: Supervision of city activities shall be provided by the City. The person responsible for supervision shall arrive at the facility at least 15 minutes before the scheduled use to insure that all equipment and facilities are ready for use. The supervisor will be responsible for safety, security and over seeing the activities being conducted at the site. The job will include checking the rest rooms, outside the building, and all areas open to the public. All rules of the School District are to be enforced during these activities, including, but not limited to no smoking, no drinking of alcohol, no swearing, etc. The supervisor will have no other assigned duty during the activities. Any vandalism or damage caused by participants or spectators to the event shall be the responsibility of the City. The supervisor shall wear a shirt which identifies the person as being associated with the City.

d. CLEAN-UP: Cleaning of the facilities will be an expectation when using any facility. The cleaning is to be done by the School District. All work is expected to meet the standards of the regular custodial crew responsible for regular cleaning of the space. Cleaning would also be expected in any adjoining area, including hallways, rest rooms and other spaces used by the participants or spectators. The City will pay the School District upon receipt of invoice for all janitorial personnel expenses

2. City agrees to allow the use of its facilities for activities of the School District under the following conditions:

a. NOTIFICATION: The City Recreation Supervisor (Park related sports) or Aquatics Director (Municipal Swimming Pool) shall be notified by the School District of all events to take place at City facilities prior to the event being scheduled. Any deviation from the approved schedule must include notification to the City as soon as possible.

b. PRIORITY OF USE: The City shall have first priority in the use of City facilities for City recreation purposes.

c. SUPERVISION: Supervision of school activities shall be provided by the School District.

The person responsible for supervision shall arrive at the facility at least 15 minutes before the scheduled use to insure that all equipment and facilities are ready for use. The supervisor will be responsible for safety, security and over seeing the activities being conducted at the site. The job will include checking any rest rooms, and other areas open to the public. All rules of the City are to be enforced during these activities. The person who is employed as the supervisor will have no other assigned duty during the activities. Any vandalism or damage caused by participants or spectators shall be the responsibility of the School District. The supervisor shall wear a shirt which identifies the person as a School District representative. City staff will provide lifeguards for swim practice at no charge. The City will provide an invoice to the School District to pay for all lifeguard personnel expenses during swim meets.

d. FIELD PREP: The School District is responsible for their own field prep.

3. City agrees to allow the School District to use potable water, only when irrigation water is not available, for maintaining the Baseball/Softball Infields only. The School District is prohibited from using potable water for irrigation on any other property. The intent is strictly for the safe up-keep of the dirt infields. The water irrigation facility being used for this purpose must be 1) in accordance with the City's Backflow Prevention Program, and 2) a dedicated system specific to the baseball/softball infields and separate from the landscape irrigation system. At the beginning of each season, the School District must notify the City Water Department prior to the use of potable water.

4. This Agreement shall expire on May 23, 2022 but may be terminated by thirty (30) days written notice by either party to the other. The parties may agree to either extend this Agreement or enter into a new Agreement upon expiration of this Agreement.

Date: Tuesday, June 13, 2017
To: Parks and Recreation Commission
From: Wendy Davis

Request:

Request to approve Parks In Lieu request for Z Country Estates

Time Estimate:

Presentation will take approximately 10 minutes. Staff anticipates some time for questions and answers

Background:

Z Country Estates is an approximately 30 acre residential development located between Orchard Drive and 3600 N, off of Pheasant Road between Harrison Street South and Washington Street South. The development includes 114 household developments.

Due to close proximity to other park properties, developer Jon Zerickow is requesting to make a Parks In Lieu contribution of \$47,538. Recent purchase and Sale Agreement was used to determine per acre value of the land.

In accordance with City Code Section 10-12-3-11 Section F: The city council may, at their discretion, approve and accept cash contributions in lieu of park land with improvements, which contributions shall be used for park land acquisition and/or park improvements within the boundaries of the arterial streets in which the development is located. In the event that no such facilities or needs are so located, the director may propose a budgeted expenditure to apply the funds to needs identified at any such facility existing within one mile of the boundaries of the project from which the funds originated. If the director determines that no reasonable use exists within the extended geographical area, the director shall, with the approval of the parks and recreation commission, propose to the city council a specific application for the funds which need not be limited geographically, and may include such use as future land acquisition. The fee structure for cash contributions for acquisition of park land shall be the appraised value of the required land area at the time of the application. The development may qualify for a 50% reduction on their cash contribution in lieu of park land if the development met all criteria to be called an "in fill" development. The appraisal shall be submitted by a mutually agreed upon appraiser and paid for by the applicant. The fee structure for park improvements, including all costs of acquisition, construction and all related costs, shall be based upon the estimated costs of an approved improvement provided by a qualified contractor and/or vendor. (Ord. 2954, 11-3-2008)

Approval Process:

A majority vote of the Commission is required to approve this request. Approval will recommend that Twin Falls City Council approve the request.

Budget Impact:

There is no budget impact associated with this request.

Regulatory Impact:

Council approval will allow the applicant to proceed with recording the plat and development of the property.

1. Parks In Lieu application Z Country

Date: 5/10/2017

PARKS IN LIEU CONTRIBUTION APPLICATION-2014

Subdivision Name: Z Country Estates

Number of Dwelling/Household Units/Acres: 114 Lots / 30.10 Acres

Developer: Jon Zernickow

Address/Phone #: 808 Norumbega Drive, Monrovia, CA 91016

Phone: 626-945-2700

Appraiser: Purchase and Sale Agreement (copy attached)

Address/Phone #: _____

As per Twin Falls City Code Title 10; Chapter 12; Section 3.11 ... "No residential plat shall be approved unless it includes provision for parks and stormwater retention/detention. "... The city council may, at their discretion, approve and accept cash contributions in lieu of developed park land with improvements. "

The following items shall be included with this Parks in Lieu Contribution application. It is the responsibility of the developer to see that all required information is provided to the city at the time of submittal of the Parks in Lieu Contribution application. An incomplete application will not be accepted by the City Administrator.

The City of Twin Falls allows two (2) different types of requests for Parks In Lieu cash contributions, as per TF City Code 10-12-3.11. Please mark an X by the type of request you are going to use; #1 or #2:

1. X I am requesting approval of a Parks In Lieu contribution without walking/bicycle trails, using the following Contribution Formula:

(a) Determine the per acre appraised value of the Land in the development.

See 10-12-3-11 (F). Appraisal value of the Land:

(L) 10,000

(b) The current Park Development cost is \$31,700 per acre.

(PD) \$31,700

(c) Total the number of Household units in the development.

(H) 114

1-The proposed Cash Contribution using #1: (L+PD)(H)(.01)

(CC) \$ 47,538

Note: Lots large enough for duplex or larger multi-family units shall be identified as intended for development as single household dwelling units on the preliminary plat otherwise the maximum density will be used to determine number of household units/single family dwellings for the purpose of this application.

The City of Twin Falls allows for a 50% reduction in the cash contribution, as per 10-12-3.11(G), subject to meeting ALL FIVE (5) CRITERIA:

1. The number of household units must be eight (8) or less per acre, as identified on the preliminary plat.
2. Development shall be located within city limits.
3. Development shall not border an arterial street.
4. Development shall not border the city limits.
5. Development must not have been converted from agricultural land. (Ord. 3034, 7-16-2012)

If development qualifies for the 50% reduction, divide Cash Contribution (CC) amount by two (2). _____

2. _____ I am requesting approval of a Parks In Lieu mixed contribution consisting of cash and developed walking/bicycle trails, using the following Contribution Formula:

- (a) Determine the per acre appraised value of the Land in the development.
See 10-12-3-11 (F). Appraisal value of the Land: (L) _____
- (b) The current Park Development cost is \$31,700 per acre. (PD) \$31,700
- (c) Total the number of Household units in the development. (H) _____

Note: Lots large enough for duplex or larger multi-family units shall be identified as intended for development as single household dwelling units on the preliminary plat otherwise the maximum density will be used to determine number of household units/single family dwellings for the purpose of this application.

- (d) Developed Trail Cost:
- i. Cost of land underneath the trail (per square foot): (A) _____
 - ii. Cost to develop the trail (per square foot): (B) _____

Developed Trail Cost = (A + B) (total trail cost per square foot): (TC) _____

- (e) Land Portion = (L)(H)(0.01) - (TC) (LP) _____

Note: Land portion cannot be less than 50% of (L)(H)(.01).

- (f) Park Improvement Portion = (31,700)(H)(.01): (PIP) _____

- (g) Land Portion + Park Improvement portion (LP + PIP) = _____

2-The proposed Cash Contribution using #2: (CC) \$ _____

Note: Lots large enough for duplex or larger multi-family units shall be identified as intended for development as single household dwelling units on the preliminary plat otherwise the maximum density will be used to determine number of household units/single family dwellings for the purpose of this application.

Parks In Lieu contribution must be made prior to final plat recordation.

PRIOR TO SUBMITTAL OF THIS APPLICATION HAVE YOU:

- ... Talked to the Parks & Recreation Department about the requirements?
- ... Enclosed a copy of the appraiser's value for the land.
- ... Enclosed a copy of bid/material costs to construct walking path/bike trail.

Recreation Update
Brandy Mason & Justin Wolters Recreation Coordinators
May 2017

Baseball & Softball:

The season will start on Monday June 5th, and we have hired and trained approximately 40 seasonal staff to umpire, and run batting cages. We ended up with 81 teams with 1022 participants compared to 88 teams and 1107 participants last year.

Adult slow pitch softball: So far, softball is running great! We have had minimal issues to this point in the season.

Adult outdoor volleyball: New this year we are offering 4v4 outdoor coed volleyball. In our inaugural season, we have 9 teams participating. The first nights of games were last night in the outfield of Cowboy field. Games are held every Monday night until the first part of August.

Kayaking Days: Also new this year we are offering kayak days with the help of AWOL rentals. We have an over 50-club group with three dates: June 6th, July 25th and August 22nd. And an all ages group with three dates, June 13th, July 11th, and August 8th. For our first over 50-club date we had 7 participants. For our first all ages group we have 13 participants. So far, the participants have enjoyed their experiences.

Social media: As of 6/9, we now have 820 Likes. That is up 150 likes over the last month.

Recreation Supervisor Update
Stacy McClintock

Shotokan Karate. This oldest Karate organization in America has not come to Twin Falls. Let Jesse Clark teach you this ancient art of courtesy, form, and mental strength! \$20 per month on Tuesday and Thursday nights

Junior Disc Golf Camp will be on Saturday June 24th from 10am-2pm. Lunch is included. The cost is \$30 and you will receive a disc.

Youth Tennis Lessons start June 5th and the second session will start July 24th. The cost is \$42 per person

“Movies in the Park” starts July 7th. We will be showing Pete’s Dragon (2016) at 9:30pm at the City Bandshell. So bring your popcorn and enjoy a free movie under the stars!

Concerts in City Park started, Thursday, June 8th. Come out and enjoy the delightful sound of the Twin Falls Band.

Parks and Recreation sponsored another Blood Drive on June 9th and had all the available slots filled.

Shirts and caps have been ordered for the City of Twin Falls youth baseball/softball program. Thank you Dr. Ward for sponsoring shirts this year.

Phase I pickle ball courts at Frontier Field has been completed.

Aquatics Director Update
John Pauley
June 2017

Summer Hours

The pool went to summer hours on Monday, June 5. We are open from 5am-9pm Monday – Friday, 8-5pm on Saturday, and 11-5pm on Sunday. Our Open Swim times are 1-5pm and 7-9pm Monday – Friday, and 12-5pm on Saturday and Sunday.

Special Olympics

Held on Saturday, June 10. Details to follow at the meeting.

Pool Passes

As of Wednesday, June 7 we had 409 units. This includes Family monthly/annual/summer and Individual monthly/annual/summer.

Projects

Looking into replacing the pool blankets, adding a 2nd handicap lift, and replacing the facility doors.

Water Fitness Classes

3 free classes for City Pool Pass Holders on Monday, Wednesday, and Friday at 8:30am. We are working with Studio G to provide additional water fitness classes. They are looking to start in Mid-June.

Parks Update
Kevin Skelton and Todd Andersen
2017

Kloepfer Concrete we as awarded the bid for the centennial Trail repair project. The bid amount was \$41,851. They will begin work on June 12 and should be complete by Friday June 16.

The hanging basket were installed on Shoshone St. and we have begun watering them twice daily.

Backflow testing is in progress for all our parks.

Sidewalks have been poured around the pickle ball courts at Frontier Field.

Twin Falls County Weed Abatement will be providing biological control of poison hemlock in Rock Creek Canyon parkway using a moth, which only feeds on this particular plant.

Spring fertilization of Sunway soccer fields is complete.

The Splash Pad at First Federal Park is in operation and open to the public.

Director's Update
Wendy Davis

Preserve Trail Construction has begun on the trail. Groundbreaking on Friday was a huge success. Kloepfer began work on the east end of the trail on Tuesday, May 29. We are working to finalize the property transfer and right of way acquisition to connect the Pillar Falls section to the Preserve Section.

Shoshone Falls Water flows have reduced significantly, down to minimum flows, but it's up a little now. Visits continue to be high on the weekends, but have tapered off on the weekdays. Total visits for may was 22,391 with 73 buses and 212 passes sold. Total revenue for May was \$74,058.33. We had a nice article in the LA Times and the Idaho Statesman.

Pool Bubble Replacement City Council approved the purchase of the new pool bubble contingent on the acquisition of a building permit. The final submittal should arrive any day, once that is approved, we can order the bubble and manufacture will begin. We are hoping to beat an October 23 installation date.
