3) Items of Consideration

- a) Approve minutes of the September 28, 2019 meeting

MOTION: Bill Brullette moved to approve the minutes as written. Chris Scholes seconded the motion. Motion passed.

- b) Review proposed community center program and space.

Mitch reviewed the spreadsheet that the architects came up with from the information that was given to them. The goal today is a consensus of what the committee is striving for in the Community Center so that Phase I can be closed. Mitch reviewed what the "soft costs" of the project would be. On the spreadsheet the orange column is what the committee asked for and the blue column is what is being recommended by the architects. Discussion followed. In moving forward the committee needs to decide what is to be in the center and to finalize it and be united in the decision.
