b) Continue discussion of proposed community center program and space.

Mitch did a brief recap of last week's discussion. Today's focus will be on the following:

1. What kind of facility is feasible for this community, what does the community need?
2. Don't focus on the cost at this point.
3. What did the community request.

Discussion centered on adding more gym space for volleyball and basketball for tournaments, etc. Also discussed was the need to take in consideration anticipated growth for Twin Falls. It was suggested that more public input is needed to get the community involved and dream bigger.

More discussion on the need for a bigger pool for lap swimming and swim meets was discussed.

Dedicated senior space was revisited and it was decided that senior needs can be accommodated through programming rather than dedicated space.

Field house was added to the list for phase 2

Mac Courts might be a substitution for hardwood floor

Outdoor facilities (later discussion)
